## Other Program Services Accomplishments

Activity Code	Description	Expense	Grants	Revenue
	CHILD CARE SUBSIDY (2340, 2361) - The cost of child care is high for families of young children. At OCPC the Child Care Subsidy team partners with families to determine if they meet eligibility for Child Care Subsidy that off-sets the high cost of child care for working parents and parents going to school. Families meet with caseworkers that review each families circumstance to determine their ability to participate in the program. Staff also can support families in obtaining a child care referral to identify where they want their children to attend care and obtain their voucher for child care. Children participating in Child Care Subsidy are served in licensed child care centers or family child care homes that meet Child Care Subsidy contract eligibility. Families that come to OCPC to receive this service describe this service as a great resource and support. Over 1,200 children and families were served through this program.	620,742	19,894	0
	CHILD CARE RESOURCE & REFERRAL (3104): In Onslow County many parents and early educators struggle to find the resources to help their children thrive. Child Care Resource & Referral Services (CCR&R) staff listens to their needs, provides guidance, and makes connections to the programs and resources that will benefit children. Staff work to educate parents on the First 2000 days and the importance of choosing high quality preschool and child care facilities that support the healthy development of children in order for children to be healthy, safe and nurtured, and ready for school and learning. Education is provided to increase knowledge so parents understand the NC Quality Ratings Improvement System and licensure process, and consumer information on how to recognize and choose the best facility for their family. Our team was able to serve nearly 1,400 families with these valuable services. CCR&R offers an extensive training program for educators and community members to strengthen and increase knowledge.	719,866	319	0
	PARENT EDUCATION (5505)- Parent educators at OCPC partnered with over 150 parents from our community to increase parental knowledge and build protective factors and resilience in order to grow strong families and decrease child abuse and neglect in our community. Three programs were offered to support families; Circle of Parents for parents of children with speech delays and autism diagnosis to share challenges and success while building support for one another, Incredible Years curriculum to increase parent knowledge that helps parents decrease negative behaviors and increase positive behaviors from their children, and Positive Parenting Program (Triple P) which offers one-on-one support, seminars, and extended courses to offer a flexible, practical way to develop skills, strategies and confidence to handle any parenting situation. PEERS Adolescent Parenting Program & Parenting Education Enhancement PEERS Family Development Center offers two programs in our community; 1. Adolescent Parenting Program for teenage parents that is designed to prevent further pregnancies, improve parenting skills, build parent confidence and build employment skills by remaining in school. 2. Parent Education Enhancement classes which aim to extend short term support and empathy to parents and couples who are in immediate need of assistance in their role as parents. Each of these programs are designed to decrease parental stress which should lead to improve outcomes for children. PEERS served just over 150 parents through their programs.	536,857	225,390	0
	CHILD CARE QUALITY ENHANCEMENT PROGRAM (3101)- Families deserve to trust that the child care facility that they select for their children are high quality. The Technical Assistance (TA) Team at OCPC works to support the coaching, mentoring, and professional development of early educators (teachers and administrators) in our community to provide resources, increase knowledge and support the implementation process for improving early education environments for children and their families. The goal of technical assistance is to improve and sustain quality as demonstrated through the NC Star Rated Licensing Program. Thirty-three licensed child care facilities participated in technical assistance which impacted several thousand young children, their teachers, and families. Smart Start Subsidy Child Care Quality Enhancement Initiative Our technical assistance team collaborated with over 20 child care centers in Onslow County to create intention around strategic goals based on programmatic needs from a list of structured technical assistance plans; Organizational Practices for Continuous Quality Improvement, Effective Teaching Practices to Improve Classroom Management, Healthy Child Initiative, Using an NC Approved Curriculum, Classroom Assessment Scoring System, Intentional Teaching, and NAEYC Accreditation.
