A FUND OF THE
NORTH CAROLINA
COMMUNITY FOUNDATION

ABOUT THE ENDOWMENT

Children hurt by abuse or through other adverse childhood experiences need professional help to cope with their trauma and begin their journey to healing and success. More licensed clinicians are needed at One Place to meet the growing demand for child mental health services. *This endowment will perpetually fund the licensing and continuing education for up to two additional providers per year.* Together, we can transform the lives of children and families in our community. By ensuring children in Onslow have the mental health support they need, we create a stronger, more resilient community for all. *The change starts now! Please help by donating!*

How can you support the One Place Child and Adolescent Mental Health Endowment?

The Endowment is professionally managed by the North Carolina Community Foundation. You can help ensure the strength and vitality of the Endowment by making a contribution in many ways: your gift or pledge to the fund; your gifts in memory or in honor of friends and family; or your thoughtfully planned bequest. All contributions support our goal to build a strong endowment for the future. All gifts are tax-deductible to the fullest extent allowed by law. Some types of gifts for you to consider include:

CASH GIFTS

The simplest and most convenient way to support the fund is through cash gifts, usually made by check or credit card.

SECURITIES OR REAL ESTATE

Gifts of appreciated securities and real property may provide important tax advantages to donors who have held assets for more than one year. The full fair market value of such gifts may be deductible as a charitable contribution. In the case of restricted or closely held stock, real estate or other unusual assets, the proposed gift may require an appraisal, a review by NCCF counsel and approval of the NCCF Board of Directors.

WILLS OR BEQUESTS

There are many ways to remember the One Place Child and Adolescent Mental Health Endowment in a will. After providing for heirs, a donor can specify that some or all of the remaining assets be given to the Endowment, thereby achieving a lasting purpose and reducing the taxable portion of an estate.

LIFE INSURANCE

The One Place Child and Adolescent Mental Health Endowment may be named as the owner and beneficiary of a previously existing or new life insurance policy. The donor receives an immediate tax deduction, which is generally equal to the policy's cash surrender value. The donor may make ongoing tax-deductible gifts to ensure continuation of premium payments.

IRA Qualified Charitable Distribution

Assets held in qualified retirement plans or individual retirement accounts (IRAs) may be contributed to the endowment. Especially important is the IRA Qualified Charitable Distribution, allowing donors age 70-1/2 to use their RMD to make a direct tax-free distribution to the endowment.

CHARITABLE TRUSTS

A donor may wish to make a contribution to the fund but also receive an income interest. Certain charitable trusts may deliver important advantages in financial and estate planning and also enable charitable gifts to the fund. The NCCF does not act in a trustee capacity, but will work with donors and their chosen trustees as the charitable lead beneficiary or remainderman of the trust.
