

EASTERN NORTH CAROLINA'S MOST ANTICIPATED EVENT - Oak & Smoke

March 7, 2026

An evening where every pour has a purpose and every moment is crafted for a lasting legacy.

Guests will experience an evening to savor fine cigars, elevated by the richness of premium bourbon and wine tastings and enhanced with decadent hors d'oeuvres and culinary pairings.

Oak & Smoke benefits One Place - Child Advocacy Center/Mental Health Services

One Place is a 501(c)(3) nonprofit located in the heart of Onslow County, North Carolina—home to Marine Corps Base Camp Lejeune and Marine Corps Air Station New River. For more than 25 years, One Place has served families across Onslow County and surrounding communities. Through strong partnerships and community collaboration, we work to improve the lives of children and families by providing comprehensive evidence-based child abuse prevention and intervention services.

Our Child Advocacy Center and Restoration & Healing Center offers a child-focused, trauma-informed approach for children from birth to age 17 who have experienced **physical abuse, sexual abuse, serious neglect, violence, trafficking, or related trauma**. Services include medical evaluations conducted by the county's only Certified Medical Evaluation Program (CMEP) providers, specialized forensic interview services, and ongoing victim advocacy - including support and accompaniment throughout the court process. In addition, our mental health services help provide hope, healing, and long-term restoration for children and their families.
